Basics

- Played with two to four players
- Played with 17 tiles in-hand with a standard combination of five sets of five (pungs or chows) and a pair
- Played with Dots, Bams, Cracks and Flowers (Winds, Dragons, Flowers and Seasons) and four jokers (optional)
- Simples include tiles 2-8, Terminals include tiles 1 and 9
- Honors are any combination of Winds and Dragons
- Chows can only be claimed from player on your left
- Pungs and kongs can be claimed from any discard
- Upon exposure of a Flower or kong, player takes a replacement tile from the Kong Box
- Upon win, hand is scored and losing players pay the value of the hand; losing players score their hands and settle the differences between themselves
- East receives double and pays double
- If East wins stays dealer; if East loses, the deal is passed to the player on the right
- Scoring limit set prior to playing
