Classroom Guidelines

Please arrive on time and plan to stay until the end.

If you already know how to play, please do not give instructions to other students.

We will use the buddy system; be prepared to work with a partner for portions of the lesson.

The all-stop word for the day is: “huddle.” When you hear that word, stop what you’re doing and prepare to receive critical information.

The venue has graciously allowed us to use their back room free of charge. Please plan to purchase a meal and tip generously to show good faith in return.

This schedule is subject to modification at the instructor’s discretion.
