INSTRUCTOR, AUTHOR, SPEAKER

PROFILE

Michele was born to play and teach mah jongg. She learned to play with her mother at age 12. The game became their shared passion, and Michele has been playing and teaching in her honor since 1990.

In 2017, Michele moved to rural Georgia and discovered that there were no mah jongg players in the area, so she decided to become a YouTube creator to share her passion online. She has written two books, published over 3k videos across five versions, and has over 60k subscribers.
